## Per Carat Pricing

- \$1,350 - 1,800 per carat:** Very light color change, fair cut with moderate inclusions
- \$2,400 - 4,800 per carat:** Light color change, good cut and eye clean to moderate color change, good cut with minor inclusions; great for rings and pendants
- \$6,000 - 19,500 per carat:** Moderate color change, well cut and eye clean to good color change, good cut with minor inclusions; a good choice for custom made pieces
- \$21,000 per carat and up:** (rare) Fine to exceptional alexandrite; strong to very strong color change; perfect for exceptionally fine jewelry

## To see the yellowish, brownish, grayish or bluish green colors:

- Use outside light or fluorescent light.
- Be careful that no spot or incandescent lights are in the area.
- Outside light works well to show these colors.

## To see the orangish or brownish red to purple red colors:

- Use a spot light, flash light or other incandescent light.
- Be careful that no outside lights or fluorescent lights are in the area.

**Be Different!**  
The rarity of an alexandrite is enough to stand out as a unique part of any piece of fine jewelry. Take it a step further and mix alexandrite with other colored stones to create a one-of-a-kind piece.
